Rent of the outdoor exhibition space (min 3 sqm) – EUR 60 per sqm.

3.3 In case if 100 % of the invoice is paid out in a lump sum before July, 1st, 2010, the Exhibitor receives 2% discount on total invoice amount.

3.4 Special conditions before March, 1st, 2010:

3.4.1 In case a company-participant of NATEXPO-2009 is expanding its exhibit space on 10 sq.m. minimally, it receives the 10 % discount on all additional meters.

3.4.2 In case a company-participant, except of expanding the exhibit space, is covering the invoice in 10 days in 100%, it receives a 5 % discount on all square meters of its exhibit space.

3.4.3. IABM members receive 2,5 % discount.

3.4.4. Discounts are not summarized.

4. BOOKING AND PAYMENT ORDER

4.1 Please note that the Exhibition space remains provisional until 25% deposit has been received by the Organizer. If the payment has not been received by the due date, the allocated exhibition space will become void and may be made available to other Exhibitors.

4.2 A 50% deposit must be made before July 1, 2010.

4.3 The total contract amount should be covered by October, 1st, 2010.

In case if 100% of the payment for the exhibition space has not been received by October 1, the Organizer reserves the right to void the allocation and to offer this space to any exhibitor, who is ready to pay for that space or who has made all payments by the due date and is willing to change its location. The Organizer reserves the right to offer to the Exhibitor space at different location of the exposition at the amount of the advance payment.

4.4 Bank commission charges.

All bank commission charges are borne by the Payer's Company. In case of violation of this condition, all underpayments will be summed up and the Organizer will draw an additional invoice for all underpayments with the 100% fine from the invoice amount. This invoice should be paid off by credit card or cash during the assembling of the exhibition.

4.4.1 Wire transfer payments for the exhibit space as well as all additional services must be effected until November, 01st, 2010. All payments after this date can be done only by credit cards or cash.

Attention! No services will be provided without payment!

No letters of warranty are accepted after November, 01st, 2010.

Debtor companies will not be allowed to the assembling.

4.4.2 If the Order for the booth equipment, constructions, furniture, electric equipment, sanitary works, and artworks will be received after November 5th 2010, the prices will be changed. The applications and orders changed by the Exhibitor after October, 31st 2010 are considered as new orders and will be charged according to the present term.

4.5 Reduction of the exhibit space.

No financial losses will follow in case of reduction of the exhibit space before August, 15th, 2010. Companies, who decide to cut down the already booked space after August 15th, loose the advance payment already effected for the reduced area.

4.6 Refusal from the exposition

In case of refusal before August 15th, 2010 – total amount is returned by the Organizer. From August, 15th to September, 15th 2010 the Organizer keeps 20% of the payments already made by the Exhibitor.

After September 15th 2010 total invoice amount is kept by the Organizer.

4.7 The Organizer's website. www.natexpo.ru

All Order Forms, except for the Contract for Participation at NATEXPO, can be filled out and effected at the Organizer's official website and have legal force equal to the documents and payments, issued on paper bearers.

5. EXHIBIT SPACE

Exhibit space is rented to the Exhibitor in a ready-to-use conditions for the period of exhibition's assembling, exposition and dismantling periods, i.e. November 12 – 20, 2010 inclusive.

Exhibitor can use the leased areas only in accordance with the Exhibition profile.

Exhibitor cannot sub-lease the Exhibition space to any third party without The Organizer's written permission.

6. CO-EXHIBITOR

The Exhibitor has the right to give its booth at the partial disposal of its partner, whose activity complies with the Exhibition's subject as to the co-exhibitor.

In this case, co-exhibitor has to sign the application form (without choosing the amount of square meters), the Contract for Participation at NATEXPO-2010 and to pay the Registration Fee. The Exhibitor, who is giving its booth at the co-exhibitor's disposal, has to inform the Organizer about it in writing.

7. BADGES AND INVITATION TICKETS

According to the IABM's recommendations, badges and invitation tickets are given to the Exhibitor at the unlimited amount on a free basis, regardless of the booth size.

8. BUILD-UP, CONNECTIONS AND ADDITIONAL SERVICES

8.1 Build up and design of the shell scheme booths and booths, made out of the standard exhibitory constructions are executed only by the General

Contractor the Exhibition – LTD "PO Montazhnik".

8.2 The Exhibitors are not allowed to dismantle or assemble the shell scheme booth constructions for applying any other changes without permission of the General Contractor.

8.3 Shell scheme booths (in accordance with the sketch and the set of furniture) are inspected and accepted by the Exhibitor's representatives from the Organizer on November, 15th 2010 from 9:00 to 19:00 only. No claims are accepted after this time.

The Exhibitor is fully responsible to return the booth, furniture and additional rental equipment in the same conditions it has been accepted. Otherwise the Exhibitor will be fined. The amount of penalty for the loss or damage will be up to 300% of the rental equipment cost.

8.4 The Catalogue, the booth sign

The name of the company, shown on the booth (the booth sign in case of standard booth construction) can not be different to the company name, submitted to the Catalogue. The name in the booth sign can be extended at the additional cost, but it cannot contain names of any other companies with the exception of the co-exhibitor (pg. 6).

8.5 Booth construction

Neither part of the booth including equipment, signboards, etc. should break the space limits from the floor to the ceiling stipulated by the Contract. The Organizer keeps the right to demand from the Exponent to put away such parts of the booth at Exhibitor's account.

Designs should ensure that neighbouring stands will not be boxed-in or blocked from view. The maximum length for outside walls is 3 metres, after which there must be a break of at least 2 metres.

8.6 Booth expertise

The Exhibitors, which do not use the shell scheme booth construction, carried out by the company LTD "PO Montazhnik" have to undergo the expertise of the materials, equipment and power connections at the engineering service of the IEC JSC "SVK VVC" and "PO Montazhnik" at the IEC VVC prices. Independent construction of the booths of any types is allowed only after receiving permission of the Engineering Service of the IEC VVC.

To avoid of penal sanctions, please, apply for the expertise 45 days prior to the beginning of booth assembling works.

9. BOOTH ASSEMBLING WORKS AND EQUIPMENT DELIVERY ORDER

9.1 Booth assembling and decoration works begins on November 15th 2010 at 8.00.

The Exhibitor and his staff should register at the Organizing Committee of the Exhibition. The admittance to Exhibition pavilions without a Participant Badge is prohibited.

Move-in time schedule:

November 13th, 2010 – from 14.00 to 22.00,
November, 14th, 15th, 2010 – from 08.00 to 22.00

Move-out time schedule:

November 19th - 15.00 – 19.00
November 20th - 09.00 – 19.00

Official closing of the Exhibition is on November, 19th at 15.00.

9.2 Overtime usage of the exhibit space.

Permission for the overtime usage of the exhibit space can be obtained from the Organizer. Prices for the overtime usage of the exhibit space during assembling and dismantling periods are published at the Organizer's website.

No overtime works can be executed until the Exhibitor's representative signs a proper order form at the NATEXPO office. After finishing all works the Exhibitor representative must write down actual overtime in their previously signed order form. If the Exhibitor's representatives do

The contract for participation at NATEXPO-2010 continued №/ID _____

not submit an order form with the actual overtime work hours, the Exhibitor is committed to settle the invoice for the overtime work drawn by the Organizer.

9.3 Delivery/Removal of the equipment.

Exhibitor has to fill out the proper order form for the delivery/removal of the equipment.

Delivery or removal of equipment will be permitted only on the basis of the registered order form where model/serial number of exhibits will be listed. Delivery or removal of any other equipment will not be permitted.

According to the fire safety rules, exhibitors will not be permitted to store any packing material, containers or boxes in their stands during the show. Secure storage will be available at the exhibition center facilities at the additional cost.

10. COMMERCIAL ACTIVITIES

All business activities, including contracts' signing, sale of the exhibits and equipment are subject to present legislation of Russian Federation.

11. FREIGHT FORWARDING SERVICE

Official freight forwarder for foreign exhibitors is: LTD "STS Logistics"
Tel.: +7 (495) 974 34 16,
fax: + 7 (495) 974 35 42,
URL: www.stslogistics.net
E-mail: vistavka@stslogistics.net

If the Exhibitor is using the alternative carriers, they have to sign a contract with the Official carrier for customs clearance and shipping handling services in the exhibition center territory.

12. DAMAGE TO PROPERTY

Exhibitor is responsible for any damage caused to walls, floor, columns, shell scheme stand equipment or other Exhibitors' property. The Exhibitors should not use paints, varnishes, adhesive and other coatings for walls, floor, columns or shell scheme stand equipment.

13. RESPONSIBILITY AND INSURANCE

The Exhibitor takes the obligation to waive from any claims to the Organizer for:

- any damage or harm done to anybody of the staff, agents or visitors of the Exhibitor regardless of the reason for such damage or harm;
- any damage or losses to the exhibits or other values, belonging to the Exhibitor, his staff, agents or visitors, as well as for losses caused by fire, explosion and other risks through the Exponent's fault or negligence.

The Exhibitor takes the responsibility to follow all the rules and order drawn by the participation in the Exhibition, including security and fire-prevention measures, as well as all the illegal actions, stated by Russian legislation.

The Exhibitor takes the obligation to compensate to the Organizer all the losses and damages to exhibition and warehouse space, power and water supply and sanitary communications, as well as to the equipment of the Organizer, including potential damage, which can be caused through the fault of the Exhibitor.

The Organizer provides for the civil insurance of any damage to life and health and/or property and values of the third party including the Exhibitor and the visitors of the Exhibition at its own expense.

14. SECURITY

14.1 Security guards are located at the visitors' entrance, transport gates and in the pavilions on a twenty-four-hour basis. A security service is aimed at providing public safety and anti terror actions. Security guards are responsible for the officially delivered to the exhibition centre equipment only at the night time from 19.00 to 9.00.

14.2 The Organizer is not responsible for the security of the exhibits at the booths and recommends that the Exhibitor's property should

be insured. The Organizer provides private booth security. To assure availability, please order all your security services in advance, 14 days prior the move-in date.

14.3 The Exhibitor shall remain responsible for the Exhibitor's property and belongings. In case of loss of your personal belongings no claims will be accepted.

15. VISA SUPPORT, TOUR OPERATOR

The Organizer facilitates in providing visa support for the Exhibitor's personnel, guests, and participants of the Exhibition when the request is made before the September 10th, 2010.

After September 10th, visa support is not guaranteed.

16. SOUND LIMITS DEMANDS

For the period of the Exhibition, the sound level at the booth of the Exhibitor should not exceed 75 decibels.

The Exhibitors violating this demand will be fined for 500 EUR.

17. AUXILIARY SERVICES

17.1 All deadlines in this document, as well as at the Organizer's website are final. If your order received after the deadline the service cannot be guaranteed.

17.2 All Payments for the Additional services Must be made according to the term 4.4.2 of the present Contract.

18. JURISDICTION

The present document is a Contract and it is governed by the Russian Federation law.
